\*By choosing "custom," you are designing an ad different than the templates provided. You need to draw out on paper the way you want the ad to look, including the placement of text. Number the squares on your layout and number the photos (**on the back in pencil**) you are submitting to correspond to the correct photo box. We will create your ad for you based on your sketch and instructions. **Please add the \$30 custom fee to your total.**

\*\*\*If you are submitting formats A-K, please submit your typed or legibly printed text in a plain font on white paper and the appropriate number of photos by the dates above. Please number the photos as you would like for them to appear and put your student's name on the back of each **in pencil**. Please do not fold or cut photos. We will reduce or enlarge the photos as necessary to fit. Please do not send PROOFS from the photographer. We will not be able to use them. All materials, this form, and payment must be received at the time of submission.

\*\*\*\*For all ads, a solid color background will be chosen to accent and complement the content of the ad. If you have a preference on a background color, please indicate that color on your order form.

## PHOTO SUBMISSION TIPS:

- Poor quality inkjet prinouts will not reproduce well.
- Select vertical (tall) photos for vertical spaces and horizontal (wide) photos for horizontal spaces.
- We will scan and enlarge or reduce photos to fit the layout. **You do not need to resize.**
- Care will be taken to return all photos; however, copies of prints should be submitted for irreplaceable photos. The school, yearbook staff, or Jostens Yearbooks does not take responsibility for lost or damaged photos.
- Writing lightly in pencil, number the back of the photos to match the numbers on the design you selectd. Please all add the student's name on the back of each photo.

## SPECIAL CONSIDERATIONS:

- The yearbook staff reserves the right to reject photos or text or ask the customer to make changes to conform to the school's standards.
- The content of the ad and copy must be appropriate for a school publication.
